

PRATICA DI OGGI S7/L4

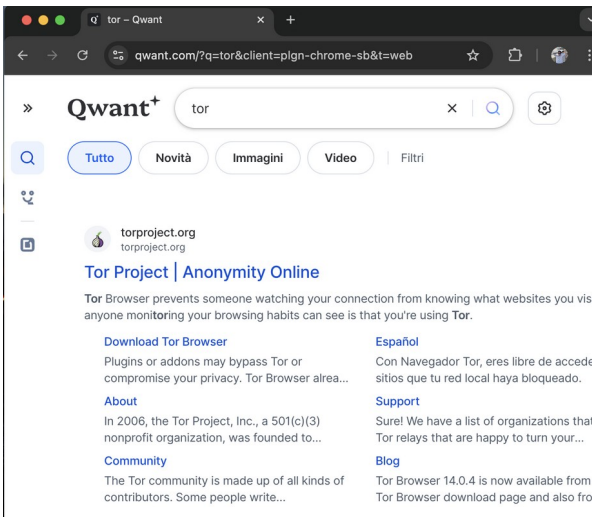

Traccia:

Da Kali, scaricare e provare Tor Browser (senza modificare alcuna impostazione predefinita). Effettuare qualche navigazione sulla rete tor ed effettuare screenshot per il report

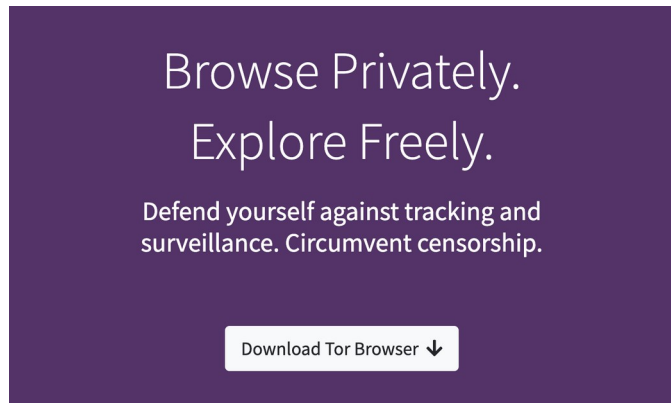

Premessa:

siccome su Kali, in UTM, non si avviava e mi dava un errore relativo al processore SSE2, ho scaricato Tor direttamente su Mac, così da completare la pratica, altrimenti non sarei riuscito a fare nulla.

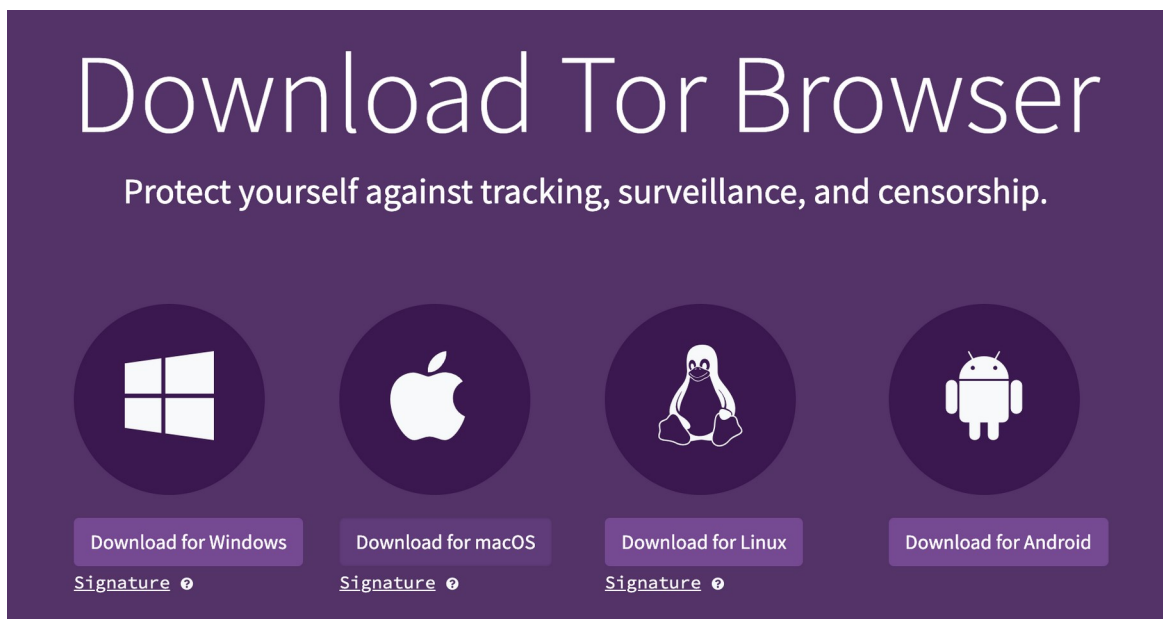

PASSO 1: ACCEDERE AL SITO WEB DI TOR

PASSO 2: CLICCARE SU DOWNLOAD

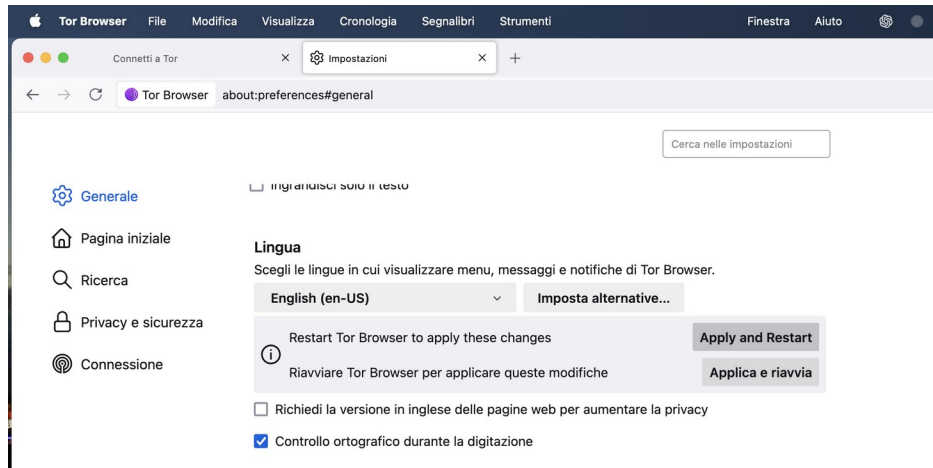

PASSO 3: SCEGLIERE LA VERSIONE ADATTA AL SISTEMA OPERATIVO

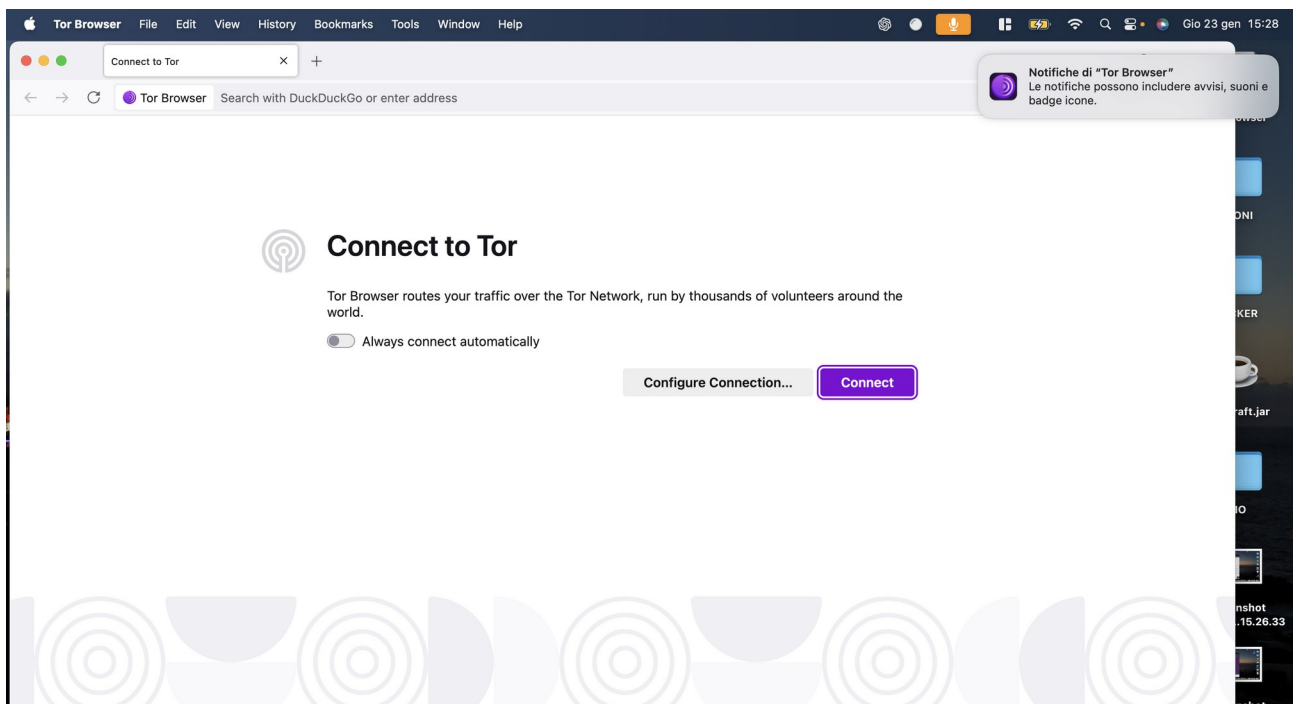

PASSO 4:

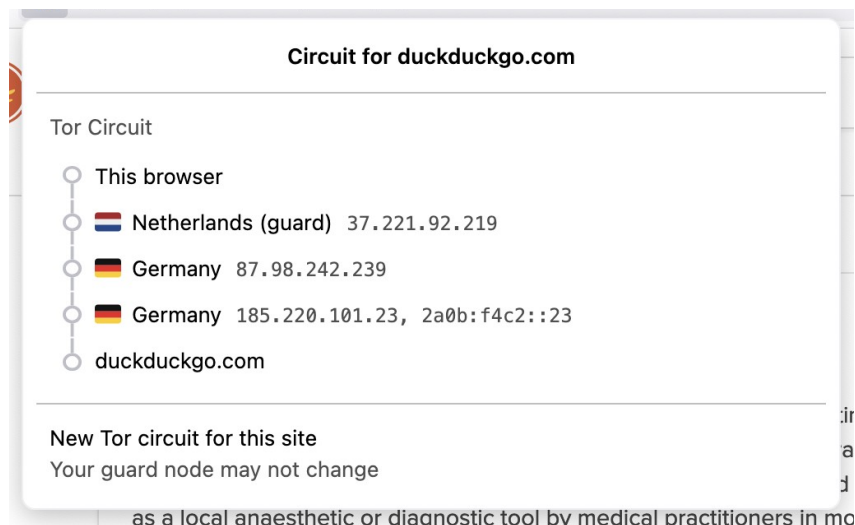

QUANDO VERRA RICHIESTO,
MODIFICARE LA LINGUA DELL'INTERFACCIA COME NELLA SCHERMATA SEGUENTE

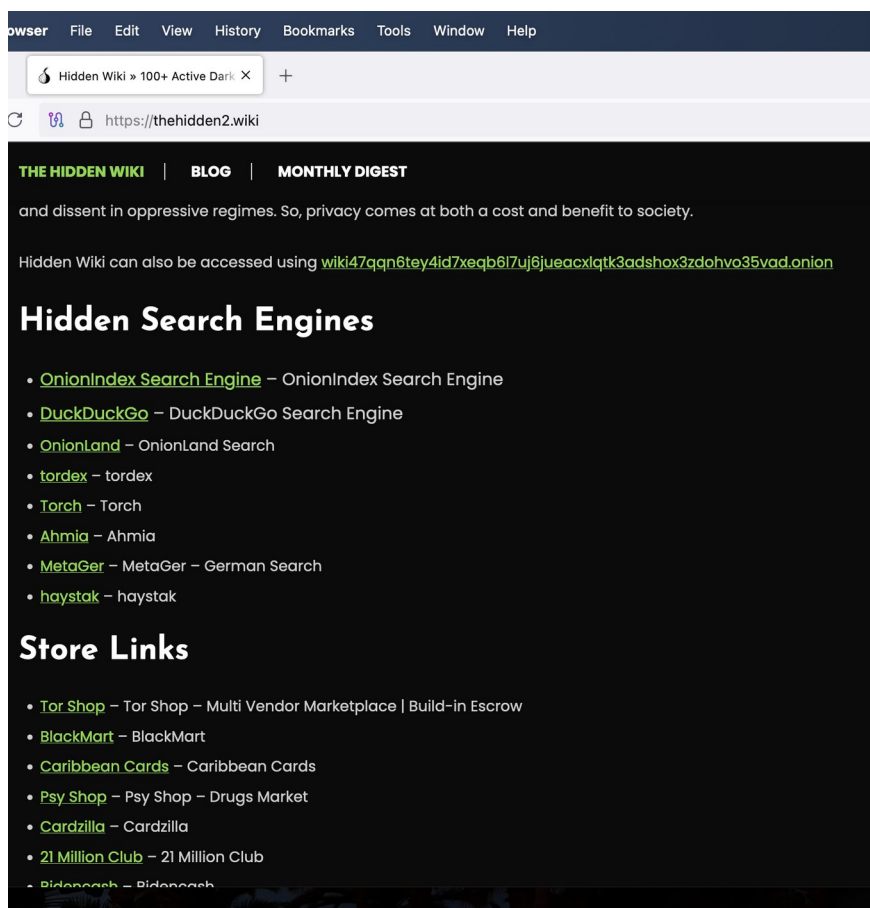

ULTIMO PASSO PER ACCEDERE A TOR E' CLICCARE SU CONNECT

Una volta entrati nella navbar superiore, situato a sinistra accanto al simbolo di riavvio, troverete un'icona che rappresenta un percorso. Cliccandoci sopra, apparirà la seguente schermata.

I passaggi rappresentano il circuito che Tor ha utilizzato prima di consentire l'accesso al motore di ricerca. Ora che abbiamo visualizzato il percorso, possiamo accedere alla ricerca, come mostrato nella schermata successiva.

Le schermate seguenti rappresentano esempi di siti del dark web, tra cui la vendita di droghe, denaro, ecc.

Dark Web Hackers

Welcome to the Dark Web Hackers

Have you tried to buy hacking services on the dark web before? Not happy with the results? Only empty promises but no one getting the job done?

Then you should try Vladimir and George, the dark webs most trusted hackers for getting things done.

Unlike others, our prices are not the cheapest, but if we can't do a job, you will get a full refund!

Vladimir

Hello, my name is Vladimir.
I am the technical expert at dark web hackers.

My expertise is programming, running exploits, setting up DDOS attacks and i like the challenge of doing things where most others give up.
I can "recover" passwords of most social networks easily, remote control smartphones, and most other things that are useful because i spent years to find methods that really work.
Here you can find a list of my services, if it is not listed, then minimum price will be \$600 and we will discuss the final price once you gave me all information and i accept the job.
